Performance Indications

Positions on Stage

The voices are to stand in pair next to the given string instrument. From left to right: soprano with violin 1, mezzo soprano with violin 2, alto with viola, baritone with cello 1, bass with cello 2.

Voices:

The tuning of the singers is to correspond to the string instruments. Above each note a harmonic and cent difference is indicated. Thus the following (in treble clef) indicates a 9th harmonic (with a C fundamental) being 4 cents higher than a normal D:

All notes with “x” are to be whispered.

All dynamics with quotation marks indicate the amount of effort in creating the sound:

Throat tremolo is to be performed either whispered or sung:

All ricochet actions are unmetered and should last at least for the duration of their given notation:

III 3 (+2)

All nail pizzicato actions should be done as “flick pizz.” actions, thereby flicking the string with the finger pushing outward:

nail pizz.

IV 7 (-31)

Bowing 1/2 on the bridge: the bow should actually be on the bridge. This should be a slightly noisy sound with the pitch still present. It might be necessary to adjust the angle of the bow:

All parts are divided into 2 staves: a lower staff for fingerings and an upper stave for the sounding pitches.

Nulla Res Singularis
Text Of Composition

Baruch Spinoza: From *Ethics* (1677):

Nulla res singularis in rerum natura datur, qua potentior et fortior non detur alia. Sed quacumque data datur alia potentior, a qua illa data potest destrui.

Translation: There is no individual thing in nature, than which there is not another more powerful and strong. Whatsoever thing be given, there is something stronger whereby it can be destroyed.

Genesis 28:17:

וַיֵּרָא וַיֹּאמֶר מַה-נֹּרָא הַמָּקוֹם הַזֶּה
אֵין זֶה כִּי אֶם-בֵּית אֱלֹהִים וְזֶה שַׁעַר הַשָּׁמַיִם

Translation: Frightened he said 'How awesome is this place. This is none other than the house of G'd and this is the gate to heaven.'
